Re: United States v. Darin Peterson, 24 Cr. 457 (PMH)

Dear Judge Halpern:

I along with James Roth represent defendant Darin Peterson. The defense respectfully writes to request, with the consent of the government, to an adjournment of the opposition to motions in limine date from July 11, 2025 to July 18, 2025, to accommodate the government's schedule; and the proposed voir dire, requests to charge, and proposed verdict sheet date from June 20, 2025 to July 30, 2025, to allow the parties to take into account the pending disclosures and motions, if any.

The proposed dates were proposed and agreed upon by both the defense and the government. We appreciate the Court's consideration of our request.

Respectfully submitted,

/s/

David Mou and James Roth
